

Christmas in July

During a time of heat and humidity, even here in Johnstown, we're going to cool ourselves off by having Christmas in July! Mark your calendars for the weekend of July 20-21. At all services, we will read the Christmas scripture and sing Christmas carols. We will decorate for Christmas and just enjoy the season without all the stress. We will remember the joy, anticipation and hope that the coming of the Christ child brings into our lives.

As a gift to those who come in to use our people food pantry, we ask that you bring in paper products and toiletries to fill our shelves. And they don't have to be wrapped!

That Sunday evening at 6:30pm we will celebrate Christmas in July at our Community Common Prayer service with others from Johnstown. Again, we will sing holiday music and have prayers and readings to ask God to bless our surrounding areas, the state, the nation and the world.
