

Dear St. Mark's Family,

Remember the story of *Stone Soup*? A stranger walks into town and wants something to eat. No one has anything to give him so he challenges them, "Give me a stone and I will make soup!"

The Stewardship Committee invites you to join us for a

Stone Soup Workshop

on

Saturday, November 9

10:00-2:00.

We will be making soup from a stone!

Please bring a single serving (just an ounce or two, or a small can) of an ingredient that you like in soup.

- Chicken broth will be provided. A vegetarian soup will also be made.
- To make sure that everyone can enjoy what we create, please refrain from ingredients with gluten or that are very spicy.

While our soup cooks, we will have a discussion on what stewardship means, and how we can express our faith through our gifts of time, talent, and treasure.
